Details of the pre-application advice received

1. Additional window openings to the south gable wall

No objection provided the hayloft window opening is the smallest possible for means of escape which is 450mm wide and 733mm high.

2. 2no. additional conservation rooflights

These should be lancet style (narrow)

3. Reinstate a door opening that once existed on the east wall

This was discussed on site and it was suggested that a window that appears as a barn door pinned open may work if it is to just allow light into the barn.

4. Change location of north facade window

No concerns

5. Barn roof finish

the use of blue/grey Welsh slate is acceptable

6. Air Source Heat Pumps
