Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	The proposed development will increase already congested traffic on local and surrounding approach roads causing grid lock through Cobham and around local schools potentially endangering school children and elderly residents. Parking for local shopping, health facilities, primary and secondary schooling are inadequate for current demands. The additional traffic will further increase hazards for pedestrians and cyclists given safe dedicate access between Meopham, Sole Street and Cobham is non-existent.

Kind regards
