Mrs Kelly Joyce
Planning Services
Gravesham Borough Council

Dear Mrs Joyce

PROPOSED DEVELOPMENT Installation of heat energy generation plant with two Air Source Heat Pumps (ASHP) and erection of surrounding acoustic enclosure.
LOCATION Tymberwood Academy , Cerne Road, Gravesend, Kent DA12 4BN
REFERENCE NO. 20230703

I refer to your letter dated 16th August regarding the above planning application.

I can confirm that I do not have any objections to the above planning application at Tymberwood Academy. Public Right of Way Footpath NG10 lays to the west of the proposed site and I enclose a copy of the Public Rights of Way network map showing the line of the path for your information.

The granting of planning permission confers no other permission or consent on the applicant. It is therefore important to advise the applicant that no works can be undertaken on a Public Right of Way without the express consent of the Highways Authority. In cases of doubt the applicant should be advised to contact this office before commencing any works that may affect the Public Right of Way. Should any temporary closures be required to ensure public safety then this office will deal on the basis that:

- The applicant pays for the administration costs.
- The duration of the closure is kept to a minimum.
- Alternative routes will be provided for the duration of the closure.
- A minimum of six weeks notice is required to process any applications for temporary closures.

This means that the Public Right of Way must not be stopped up, diverted, obstructed (this includes any building materials or waste generated during any of the construction phases) or the surface disturbed. There must be no encroachment on the current width, at any time now or in future and no furniture or fixtures may be erected on or across Public Rights of Way without consent.

Yours sincerely
