Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I object to this planning application for the erection of a 4 storey building next to the Gravesend Veterans Club. Having the building/works so close to the Veterans Club would seriously impact its use on a daily basis. The Veterans Club has been used by many local people, for many years, for a range of activities like yoga and art and the disruption/noise caused by the building work will have a detrimental effect to the hall users. The parking will also be an issue on what is already a very congested road for residents.

Kind regards
