Comments Details

Commenter Type:	Member of the Public
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	I and in strong support of this application as I have family how lives within culverstone green and am aware of a Facebook action group that is against this application with relentless posts and racist comments and putting false claims of saying they are been threatened with violence and intimidation to try and persuade other people and paint these guys as being bad people to tryibg to cause a witch hunt on these people and against this application some of the comments are straight out right racist and horrible to say clearly u can see they have a problem with the GRT community and are biased I have personally spoke to these people and they have been more then

Kind regards
