Comments Details

Commenter Type:	Neighbour
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	I am writing to support this application as I am from the gypsy and Traveler community and live in culverstone green and I know how hard it is to try and find a pitch within this area. I know these people on this land and they are very nice people and really hope they get the planning and secure a home for their families

Kind regards
