Dear Sirs

**Re: Land east of The Old Parsonage, Butchers Hill, Shorne, DA12 3EB.
Decision Notice 20220080. Change of use from grazing land to agricultural building
comprising the erection of an agricultural barn with yard, retaining wall and
associated works.**

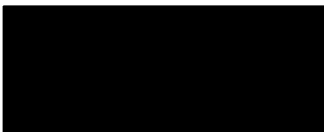

With reference to Condition 6 and the approved Written Scheme of Investigation, the onsite appraisal has taken place under the watching brief of Kent Archaeological Projects and with a site inspection by Caspar Johnson from Kent County Council's Archaeological Team.

No archaeology has been found so we submit a short report produced by Kent Archaeological Projects that states this to be the situation.

Condition 6(i), the details of the Written Scheme of Investigation was approved under Decision Notice 20220959 dated 14th November 2022. We are now applying for approval to clear Condition 6 (ii) of Decision Notice 2022080 dated 3rd May 2022.

Please do make contact with the writer if further information is required.

Yours faithfully

j.bolton@synergypc.co.uk
