Stance:	Customer objects to the Planning Application

Reasons for comment:

Comments:	This amendment due to KCC Highways letter of 17/4/2024 causes even more concern [REDACTED] The private driveway to properties No. 20-24 is often obstructed by parked vehicles opposite driveway sometimes even blocked. We note our previous comments will still be taken into consideration we sincerely hope this is the case with all 14 objections. We hope that the previous application 2021/00055 - which was declined by David Smith, Inspector, Planning Directorate will also be reviewed as the facts of subsidence etc have not changed with yet another application Is still sought. Please review on the basis mentioned above with all our objections and those previously declined for good reason.
