Subject: 20220912 - Mieszko Food City (Watford) Ltd, 51 - 53 High Street,

Dear Rebecca

Thank you for the above application. Having studied the details I believe it will not materially affect the Public Right of Way. As such I have no comments to make.

Kind regards

John

John Pelham | Dartford and Gravesham Area Officer | Kent County Council, Public Rights of Way and Access Service | Countryside and Community Development | Environment, Planning and Enforcement | Growth and Communities, Worrall House, Kingshill Avenue, Kingshill ME19 4AE | 03000414132

To log a reported problem on the network and to receive updates on progress please go to:

The coronavirus outbreak is having an impact on the levels of service the PROW and Access Service are currently able to deliver. In line with government advice our officers are only visiting the countryside where social distancing can be implemented and its considered safe to do so. Contracts to clear natural surface vegetation and other programmes of maintenance work are underway as normal, but may be delayed due to additional safety measures.

Please do continue to [report any problems](#) and these will be prioritised
