Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	<p>Peacock Street is an interesting street of character and charm.</p> <p>The proposed scheme lacks any sense of this and is unfortunately bland with no redeeming features.</p> <p>There is no shortage of reference material to assist in producing excellent buildings.</p> <p>A pity that this scheme did not warrant serious research by the developers.</p> <p>The difference between quality and a bad design is like a good umbrella versus a paper packet on one's head.</p> <p>May taste and discernment guide the decision to reject this application.</p> <p>Thank you for allowing these comments.</p>

Kind regards
