Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I would like to object for the following reasons More erosion of green belt while large areas of brownfield sites ie riverside former industrial sites left to decay No consideration given to infrastructure ie doctors schools water gas sewage not to mention Darenth Valley Hospital hoping to cope with all these thousands of homes being built locally Also more pressure on the A227 which used to be just a country lane hoping to cope with thousands more cars especially if the developments further south in Meopham go ahead

Kind regards
