Reasons for comment:

Comments:	This would merge two villages of sole street and Meopham which is not appropriate and suitable Destroy wildlife Should focus on filling empty sites on brownfield sites in Gravesham, e.g. maternity hospital and tollgate hotel. I understand this might not be in the councils hands, but the council should campaign for compulsory purchase back if land has been empty for a significant period of time, e.g. decades in the case of this land Not safe - no pavement in this area- the only way to walk between is via the footpath, but this will be destroyed Not enough public transport to support this- families will be stranded as no buses in this area Destruction of local habitats Wrong type of housing - area too expensive and will not therefore be affordable homes
-----------	--

Will affect people's mental health as less green spaces to walk in etc

Kind regards
