Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	<p>As a young adult who's grown up loving Meopham's open views, quiet lanes, and the feeling of being surrounded by real countryside, I'm deeply worried about the proposal. What makes Meopham special is the space, the scenery, and the sense of nature on our doorstep. A development of this scale wouldn't just change the landscape; it would change the character of the village entirely. I'm not against growth, but this proposal goes far beyond what Meopham can realistically take without losing what makes it such a unique and beautiful place to live.</p> <p>I OBJECT.</p>

Kind regards
