

20250930 KCC Heritage 18.9.25

Thank you for consulting us on this application.

The site lies within an area of multi-period archaeological potential. However, based on existing Historic

Environment Record data for the area and the relatively limited extent of the proposed works, I consider it unlikely

that these proposals would have a significant below-ground archaeological impact and have no further comments to

make in this case.

Yours sincerely.

Casper Johnson FRSA MCIfA FSA | Senior Archaeological Officer | Heritage
Conservation | Environment and
