Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I vehemently object to this planning proposal because the implications of such a large development on our local community have not been thought through enough. I am referring to the deleterious effect on the increased traffic on our country lanes in what is a predominantly rural area. viz. Green Lane, Camer Road and Norwood Lane. In essence, the necessary infrastructure for such a large residential development is NOT currently in place. viz. narrow feeder roads; water supply; drainage & sewerage disposal; Medical provision etc. I moved to no [REDACTED] in Meopham to enjoy the rural outlook and these ridiculous proposals have already significantly affected the value of my property which backs onto prime agricultural land.

Kind regards
