Stance: Customer objects to the Planning Application

Reasons for comment:

Comments: I totally object to a McDonald's Restaurant being built on the site of the former Woodlands Beefeater Restaurant.
This restaurant, if built will cause an impact on traffic ie congestion, parking overspill and road safety due to it's very close proximity to Woodlands Park where many parents and children enter and use Woodlands Park and enter mainly via the main entrance of the park which is right next to the proposed McDonald's restaurant site.
Increased vehicle trips from both deliveries and customers and therefore air quality will worsen and will increase pollution.
There will also be an impact on the nearby residents e.g. cooking emissions, odour, noise and vastly increased footfall.
My suggestion would be to have a Public house/Quality restaurant situated on the site again.
Having another McDonalds Restaurant situated on the old Woodlands Beefeater site would be a very bad idea in my opinion. There are already two McDonald's restaurants in the Gravesend / Northfleet area so another one is totally unnecessary.

Kind regards
