4. Prior to the works commencing on site, details of a gas impermeable membrane should be submitted and approved by the Local Planning Authority. The gas impermeable membrane shall be incorporated within the structure along with a ventilated sub-floor area. Any services entering/leaving the structure should be located above the gas impermeable membrane or adequate seals will have to be provided if the membrane has to be breached. The development shall be built in accordance with the approved plans and details.

Reason In the interest of amenity in the interests of amenity in order to prevent against landfill gas in in accordance with Policy CS19 of the Gravesham Local Plan Core Strategy (September 2014).

5. The applicant shall undertake a watching brief during construction in case any contamination issue is encountered. If during development any contamination is found, the Local Planning Authority should be informed as soon as practical and the work shall not continue until written agreement is provided by the Local Planning Authority as to the appropriate measures to be taken to resolve the matter and they are satisfied that those measures have been carried out.

Reason In order to protect the amenity of occupiers due to The Lapwings forming part of the Holyoake Mount landfill development site in accordance with Policy CS19 of the Gravesham Local Plan Core Strategy (September 2014).

6. The hedging to the side boundary of the plot shall be retained in perpetuity. If the hedges die or become, in the opinion of the Local Planning Authority, so seriously damaged or diseased that its long term amenity value has been adversely affected, it shall be replaced in the same location during the next planting season (October to February), with plants of an appropriate species and size to mitigate the impact of the loss as agreed in writing by the Local Planning Authority.

Reason: To safeguard the amenity value of the hedges that have failed and to maintain and enhance the character and appearance of the local area in accordance with Policy CS19: Development and Design Principles of the Gravesham Local Plan Core Strategy (2014).

INFORMATIVES:-

1 STATEMENT OF POSITIVE AND PROACTIVE APPROACH TO DECISION-MAKING

In accordance with Article 35 (2) of the Town and Country Planning (Development Management Procedure) (England) Order 2015 (as amended), and paragraph 38 of the National Planning Policy Framework (NPPF) 2021, the Local Planning Authority has approached the assessment and determination of this application in a positive and creative way and, where appropriate, has worked pro-actively with the applicant to secure a development that is sustainable and that improves the economic, social and environmental conditions of the area, and that is in accordance with the Development Plan for the area.

2 BUILDING REGULATIONS CONSENT

The granting of planning permission is independent from the granting of Building Regulations consent (which may, or may not, be required). In the event of a change to the scheme granted planning permission being required to satisfy the Building Regulations, applicants are advised to seek advice from the Local Planning Authority [as proceeding without the necessary permissions could nullify this permission].

3 DEVIATION FROM APPROVED PLANS

It is possible that any proposed deviation from the approved plans could be classed as a 'material' change requiring a further application/permission. In the event that any change is proposed, applicants are advised to seek advice from the Local Planning Authority [as proceeding without the necessary permissions could nullify this permission].

4 WORKS OF CONSTRUCTION

Hours of work of construction site plant, equipment and machinery, should be restricted to not earlier than 7.00 a.m. and not later than 6.00 p.m. weekdays and Saturday working should be restricted to not earlier than 8.00a.m. and not later than 1.00 p.m. No work shall be carried out on Sundays, Bank or Public Holidays.

- i. Suitable sound attenuation shall be used at all times in respect of all plant, machinery and equipment in operation on site in order to aid prevention of noise nuisance. Compliance with BS 5228: Part 1: 1984 and subsequent amendments regarding the use of equipment on site will be required in appropriate cases.
- ii. A suitable method of control shall be used in order to aid prevention of dust nuisance arising from work activities on site.
- iii. Burning of waste materials shall not be carried out on site. Such materials are to be stored in a suitable receptacle, as far from residential accommodation as reasonably practicable, pending disposal off site.
- iv. Adequate arrangements shall be made to remove all waste material from the site on a regular basis and to dispose of it at a suitably licensed waste disposal site.

5 Pursuant to Articles 35 (1) and (2) of the Town and Country Planning (Development Management Procedure) (England) Order 2015, the Local Planning Authority is satisfied that the requirements of condition 3 (including the timing of compliance) is so fundamental to the development permitted that such details must be submitted prior to the works commencing on site. The reason for this is in the interests of amenity in order to prevent against landfill gas. Due to the importance attached to these details, it is reasonable and necessary to seek full approval in advance of works commencing

6 In accordance with The Town and Country Planning (Pre Commencement Conditions) Regulations 2018 and paragraph 36 of the Planning Practice Guidance the Local Planning Authority has agreed in writing with the planning agent on 17/10/2022 to the inclusion of the following pre-commencement conditions.

Condition 4 - Prior to the works commencing on site, details of a gas impermeable membrane should be submitted and approved by the Local Planning Authority. The gas impermeable membrane shall be incorporated within the structure along with a ventilated sub-floor area. Any services entering/leaving the structure should be located above the gas impermeable membrane or adequate seals will have to be provided if the membrane has to be breached. The development shall be built in accordance with the approved plans and details.

Reason In the interest of amenity in the interests of amenity in order to prevent against landfill gas in in accordance with Policy CS19 of the Gravesham Local Plan Core Strategy (September 2014).

NOTIFICATION TO APPLICANT

APPEALS TO THE SECRETARY OF STATE

- If you are aggrieved by the decision of your Local Planning Authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under Section 78 of the Town and Country Planning Act 1990.
- If this is a **householder application*** which has been refused and you want to appeal against your Local Planning Authority's decision then you must do so within **12 weeks of the date of this notice**.
- For all other applications, refused or permitted, if you want to appeal against your Local Planning Authority's decision then you must do so within 6 months of the date of this notice.
- **Appeals must be made using a form which you can obtain from the Planning Inspectorate at Temple Quay House, 2 The Square, Temple Quay, Bristol BS1 6PN; telephone: 0303 444 5000; email: enquiries@pins.gsi.gov.uk or online at www.planningportal.gov.uk/pcs.**
- The Secretary of State can allow a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.
- The Secretary of State need not consider an appeal if it seems to him that the Local Planning Authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.
- In practice, the Secretary of State does not refuse to consider appeals solely because the Local Planning Authority based their decision on a direction given by him.

***Householder applications**

These are:

- (a) applications for planning permission for development of an existing dwellinghouse, or development within the curtilage of such a dwellinghouse for any purpose incidental to the enjoyment of the dwellinghouse, or
- (b) an application for any consent, agreement or approval required by or under a planning permission, development order or local development order in relation to such development

but does **not** include –

- (i) an application for change of use;
- (ii) an application to change the number of dwellings in a building.

PURCHASE NOTICES

If either the Local Planning Authority or the Secretary of State for the Environment refuses permission to develop land or grants it subject to conditions, the owner may claim that he/she can neither put the land to a reasonably beneficial use in its existing state nor can he/she render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances, the owner may serve a purchase notice on the Council (District Council, London Borough Council or Common Council of the City of London) in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.
