Reasons for comment:	
Comments:	<p>I have serious concerns regarding development on this land that is protected at present by the Green Belt and therefore should only be altered due to exceptional circumstances. This site is next to two local primary schools and very close to the secondary school. This area is congested as it is creating dangerous roads due to the volume of traffic already using the surrounding roads and amenities.</p> <p>The doctors, local schools and supporting services do not have the capacity to support anymore people in the area.</p>

Kind regards
