Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	<p>I Object and have serious concerns regarding development on this Greenbelt land:-</p> <ol style="list-style-type: none"><li>1. The effect this will have to local wildlife and farmland when our farmland is shrinking whilst the need for food production is increasing.</li><li>2. The pollution and congestion that will be created from the additional traffic. The area can't cope with the number of vehicles now and once the Lower Thames Crossing is built there will be even more traffic including HGV's. It will be dangerous for access, creating danger to life's.</li><li>3. The local train stations can't cope at present with the number of people using them.</li><li>4. The GP surgery is overstretched and the local schools are overstretched.</li></ol> <p>Overall the area can't cope as it is to build more homes and to add more people and vehicles would be catastrophic.</p>

Kind regards
