Stance:	Customer objects to the Planning Application

Reasons for comment:

Comments:	<p>I object to this application on community impact grounds:</p> <ol style="list-style-type: none">1. Already Busy Area Serving Local Families and Shops Wrotham Road is used constantly by families visiting schools, shops, and GP services. Adding this volume of extra cars will make the area chaotic and noticeably unsafe.2. Accident Blackspot Risk Increased This part of the A227 already sees collisions. More turning movements and more traffic will only increase this risk.3. Disruption to Local Businesses The shops rely on safe access and parking. Constant turning traffic from a large housing estate will interfere with daily trade and frustrate shoppers. <p>Conclusion: The plans are not compatible with the community needs and current traffic conditions and should be rejected.</p>
