| Stance:              | Customer objects to the Planning Application  |
| Reasons for comment: |   |
| Comments:            | Prime agricultural land which should continue to be used for food production. Massive impact of much higher volume of traffic on already congested roads. Huge increase in the population on an already built up area. Implications for already stretched services.<br>Impact on countryside and environment. |

Kind regards
