Reasons for comment:	
Comments:	This will destroy wild life and nature and beautiful countryside and fields. The roads are not up to taking extra traffic flow especially up Green lane that's during rush hours is grid locked. Even now there is constant care lorries and vans and buses driving on the pavements and most days there are cars speeding up from the wrotham road to Tradescant Drive The doctors and school are not equipped to manage the extra population that will be living in the area.

Kind regards
