Reasons for comment:

Comments:	I would object against this as it is already degrading the area and the lane has been degraded and damaged with the heavy traffic and damage to trees some of which have now fallen over. These people were told to stop all work on this plot of land and yet have continued to erect fences and completely cover the grass with aggregate and fence 8 plots for caravans. At present there is over 20+ caravans, mobile homes and static caravans behind the fencing. Very unfair on local tax and rate paying residents.
