Comments:	There is an injunction on this site which has been completely disregarded. They have been told to stop any work but have just carried on regardless? Why has this been allowed to continue. It is green belt with an injunction on. They are not poor and like all of us can buy a property but they want to turn White post lane into a no go area. I have lived in this village for 40 years and drive up and down in this road but had to call the police as a young man threatened me and told me he was coming to get me as he knew where I lived. This is not a one off as this has happened to lots of us. They should be made to return the land to how it was and arrested for what they have been allowed to do I OBJECT

Kind regards
