Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	These are not mobile homes. have you seen how large they are? They are being transported on large lorries down a rural lane (destroying the trees etc along the lane) for permanent residence by persons who claim to be Travellers which they are clearly not! The council needs to review its decisions and look at the history of the planning applications and previous injunctions/enforcements and the person(s) behind them who have criminal records for serious illegal waste dumping! Ideally there needs to be a change in the law. We as local residents will be petitioning our MP. In the meantime is it beyond the council's ability to turn up at the site and review the damage that has already been done?

Kind regards
