Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	This is a small rural Lane totally unsuited to such a development. There is already burning of plastics most nights in the site and. So I cannot understand why the environmental hazard has not been picked up by the relevant agency consulted. This land was meant to have an injunction preventing such development and yet application after application on this land occurs. It is in green belt and so should not be considered .

Kind regards
