Reasons for comment:	
Comments:	This proposal is dangerous, will create congestion and massive strain on local services. The influx of vehicles, to supply and build some 350 properties, then the 1-2 cars per household and service vehicles, would cause major havoc to this area Everybody locally knows how dangerous the access onto the A227 at Meopham is, at the parade of shops and to Green Lane (which is very narrow at that point. This area of Meopham is full of parked cars, particularly alongside Meopham Community Academy and the nursery at school start and finish times.

Kind regards
