## Comments Details

Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	This proposed development will put additional pressure on Meopham's already over stretched NHS platform . In addition , it will increase traffic through Meopham - especially on the A227 ( already an extremely busy road) - plus create increased traffic through Norwood Lane . Both of these road scenarios will also create additional road traffic pollution and road traffic accidents .

Kind regards
