Commenter Type:	Member of the Public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	The current A227 is not fit for purpose even on a good day, the volume of traffic and pollution is rising and adding a further 700+ vehicles into an already congested area is madness. The local school is already oversubscribed and the doctor's surgery is at max capacity, where are we going to support this additional 1000 plus people?

Kind regards
