Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	<p>Empress Road is not a large road; parking is constantly an issue around here, and sometimes I have to park further away by St John's School, or the CO-OP, as a blue badge holder for disability, this does not help. Having these flats will even more pressure on the parking around and down the road. Even though it claims that these flats will have parking, that isn't stopping people from using the roads outside parking when visiting, or from pure laziness etc.</p> <p>If these flats are constructed, the amount of traffic, noise and mess that will be produced would be of great, putting more pressure on residents already living in Empress Road who go to work, have responsibilities etc.</p>

Kind regards
