Stance:	Customer objects to the Planning Application

Reasons for comment:

Comments:	<p>This application CANNOT be allowed to happen. Empress road is small and there are hardly no parking spaces as it is. This would create lots of noise and the flats would be directly looking on to my, and my neighbours houses opposite. This would open up the area too much.</p> <p>There is not enough room to fit in another 15-20 people in thosr flats. This is a shameful proposal, that given KCCs track record will get approved.</p> <p>There are lots of trees and wildlife near the end of the garages.</p> <p>Having this built in our back yard, in my neighbours back yards, overlooking our houses will drop the prices of our houses as well. It will lead to a lot of stress, noise and anxiety. Our houses will be open for anyone to jump over, so I fear for the safety of our animals, kids.</p> <p>Please do not allow this obsense development, trying to squeeze all these flats in this small road is NOT good for the area.</p>
