Reasons for comment:	
Comments:	<p>Hello,</p> <p>I live directly opposite this proposed development and after viewing the plans, I have to say, this development is abhorrent. A 3 story building that leads on to our back gardens, with the cars being parked against our fences. Not only are they building in the car park, but also on number 33.</p> <p>This cannot be allowed, this greedy development will make our lives hell. You cannot build a small complex for 16 people in such a small road. Empress raid is the main exit for lower range road and down into the Sickens estate.</p> <p>The proposed car park will back onto our gardens, we will have gone from a peaceful area into a noisy car park with numerous 3 story flats looking into our garden. This will effect our house prices, privacy and quality of living. It will open our gardens up, we have issues with a to social behaviour and crime already.</p> <p>Please DO NOT allow this atrocious proposal to go through, it will ruin many lives.</p> <p>Please please do not allow this.</p>
Kind regards
