Reasons for comment:

Comments:	I am in support of number 48 LYNDHURST WAY open space to change to a residential space and for a 1.8 metre fence to be erected The space will much more beneficial as a residential space as it stops vehicles parking all over the space as they did in the past . The high fence keeps property that back on to it safer as stops youths jumping over our fences . It's also safer as there are small children in number 48 and I would hate to think anyone walking by the garden could easily snatch a child if the fence wasn't high . Keeping it residential with a high fence will make it safer for all
