Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	There is no where close for my children to play or ride there bikes I live right behind where there want this to happen my back gate leads to the field/ land. My son uses that back gate coming home from school. I wouldn't fell safe having them there when my son will have to walk past them going and coming back from school. Also my other children playing and will not fell safe.

Kind regards
