In order to be Permitted Development, the proposal would need to be incidental to the enjoyment of the dwellinghouse and comply with the parameters set out in the Town and Country Planning (General Permitted Development) (England) Order 2015, as amended. You are encouraged to apply to the Local Planning Authority for a Proposed Lawful Development Certificate if your proposal adheres to Class E of the Permitted Development Order. If it falls outside of this, then you would need to apply for Planning Permission. From the information provided, the Council cannot indicate whether the proposal would be considered permitted development or not.

You are advised that PRE20220036 is now closed.

Note: The comments contained herein are offered on an informal basis and without prejudice to the determination of any subsequent planning application.
