Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	The current infrastructure will not be able to cope with the addition of this development, it's unable to cope as it is now. There are plenty of Brownfield sites that are currently banked by the Council and other Councils that should be used instead and also buildings that are sitting there boarded up that can be refitted and reused. Kent was the Garden of England and is now turning into the Concrete block of England.

Kind regards
