Reasons for comment:	
Comments:	<p>Main concern regarding extra traffic causing further congestion and adding pollution to this already heavily used road. Already frequent hold ups due to constant traffic using 227 a means of a way accessing A20 or M20 or alternatively M2 or A2.</p> <p>Extra houses will also put extra pressure on local schools which already cause additional parking and congestion problems. Gp practices are already under ever increasing pressure and therefore add to the length of time in getting a GP appointment. Building over yet more greens spaces are likely to affect drainage and add to concerns regarding flooding.</p>

Kind regards
