Stance:	Customer made comments in support of the Planning Application

Reasons for comment:

Comments:	<p>I think this is an amazing opportunity to drive business in the local area. Although up to 100 homes are being built, I'm sure these will predominantly occupied by locals, so i don't believe there would be a negative impact on the community neither do I believe this equals 100s more cars on the road.</p> <p>Homes need to be built in the local area and id rather a top end developer build houses that blend in with the surroundings.</p> <p>Looking forward to this bringing more business to the local and surrounding areas.</p>
