Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	<p>2024 NPPF Paragraph 156 (part b) clearly states about land released from Green Belt "necessary improvements to local or national infrastructure". I would also like to point out NPPF Paragraph 116 on this matter.</p> <p>The roads infrastructure is not and cannot be improved to accommodate these homes. It will be dangerous.</p> <p>Dont forget schools, safe water drainage (a balancing pond or Sud with boreholes won't stop all the water on that chalk).</p>

Kind regards
