Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I wish to object to this objection because: 1. It involves building on high grade agricultural land in the green belt and would impinge on the Kent Downs national landscape. contrary to the claim by the developers this is not 'grey belt' land 2. it would lead to an effective merger between Meopham and Sole Street. 3. The local infrastructure and road network could not cope with this scale of development. 4. There are serious concerns about flooding in the area concerned. 5. The land concerned is not designate for housing in the local plan for Meopham being drawn up by Gravesham council.

Kind regards
