Reasons for comment:	
Comments:	I object most strongly to this ludicrous plan for 725 properties and school at this location. We live very close to where this field is, and having moved to Meopham for a quiet retirement, do not want this monstrous estate built in the slightest. The roads local to this location, Norwood Lane and Green Lane will simply not be able to cope with the vast amount of extra traffic from this estate, they are country lanes and are busy at certain times of the day now. Meopham is a lovely village which will be ruined beyond belief with this build. We have information to state that the doctors surgery at Meopham Medical centre is at capacity and will not take on more patients. Also Darenth Valley Hospital is working at capacity also. We have had several power cuts since living here, as soon as it gets stormy, so how will the utility company be able to cope with all of that extra demand? The water company is struggling to cope with the drainage when it rains hard now, 725 more properties adding to the volume, utter madness. The plan includes a school which brings its own problems with parents cars at drop off and pick up times, this is definitely not wanted. Stop this unwanted build. Green not Gr££d

Kind regards
