Reasons for comment:

Comments:	<p>I object to this application for the following reasons.</p> <p>1.). The impact it will have on our medical services, doctors and hospitals / Dentists who are already under pressure with existing residents in the area.</p> <p>2.). The 227 main road which serves several schools in the area is a very busy road during school hrs and rush hour, the construction traffic and additional residential traffic will have a big impact during construction creating even more delays and additional safety aspects.</p>
