Comments Details

Commenter Type:	Member of the Public
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	It would be a very good use of this currently unused building to convert it into a mosque and community centre. The Muslim community in Gravesend does a lot of good in the wider community and they need more space. I support this application - we're a diverse community in Gravesend, and we should support that by showing unity and respect.

Kind regards
