Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I strongly object to this development going ahead in Meopham as the impact on local roads and lanes would be unbearable for everyone in the surrounding area. This will be part of connecting the urban sprawl from Surrounding towns and villages and the so called affordable housing will not be for the local community trying to get on the housing ladder.our local doctors surgery and services will not be able to cope with the influx of people moving into the area.

Kind regards
