Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I object to this Planning Application on land designated as Green Belt. This development is an unacceptable abuse of Green Belt land which is totally inappropriate for the siting of 8 static caravans and 8 touring caravans and associated day rooms etc. White Post Lane is a single track road and used by many residents of Sole Street, Istead Rise and Meopham for recreational purposes. I personally no longer use this road as I feel intimidated by the vehicles accessing this site, some travelling at a speed totally inappropriate for the road. Many residents of Sole Street are elderly but still active and feel concerned for their safety when using this road. I used to enjoy an early Spring morning walk along this road enjoying the views across what was an open meadow, unfortunately this is no longer possible due to the building of high fencing. How did Gravesham Council allow this to happen especially as clearly this fencing and site preparation was completed illegally. If this Application is approved it will allow the owner of the land to develop the rest of the land to allow additional static caravans to be installed with or without Planning Approval.

Kind regards
