Reasons for comment:	
Comments:	There are multiple reasons i object to this application as listed below: Its a narrow road and not suitable for the use of caravans. The gypsy community in question have already assaulted and harassed people in the community. Not only has this not been dealt with accordingly by the authorities, but by letting them stay it would be a clear sign of negligence and cowardice. The gypsy community have also destroyed hedges and trees in the area, affecting not only the nature of the area but also the aesthetic of the road and adjoining fields. The fact that this plan is even proposed is appalling . The fact you would let non - tax payers, who actively seek to disrupt local communities have land for nothing is a joke!!!!

Kind regards
