Address:	[REDACTED] Fairview drive Higham

Comments Details

Commenter Type:	Neighbour
Stance:	Customer objects to the Planning Application

Reasons for comment:

Comments:	The main reason I'm objecting is due to limited parking along Fairview drive. If the two storey extension and front extension takes places then 2 spaces on no 8's driveway will be lost. There will be room for 1 car only. As things currently stand they have access to two cars so automatically 1 would park on the road. In addition, their 2 children will soon be at an age where they will want to drive so potentially another 1/2 cars might belong to the household. I do not know the reasons for the extension but if it were to provide accommodation for aging parents then this would also mean further cars to be parked along the road somewhere. As things currently stand, if someone parks opposite me but not up the kerb, I have to drive down the road to turn around before coming back to reverse on my driveway. More cars parking along the road (which this extension will cause) will also mean more obstructions for any emergency vehicles to navigate.
