Reasons for comment:

Comments:	The facility use 5-10 pm 7 days a week is not acceptable. There will be impact on traffic around the area and loss of wildlife. Loss of enjoying/privacy in our garden due to noise. I have young children at primary school age who need to go to bed early our garden/home is quite close to the Tennis courts and I feel the flood lights will disrupt there quality of sleep also the noise from the players/spectators and echo from balls etc. The construction of the pitch,fencing,paths,and flood lighting and bund will also have an impact on noise and disruption on our quality of life's and homes. Kind regards
