Reasons for comment:

Comments: The importance & necessity of keeping our rural pub the Amazon & Tiger, fundamentally is because it's our essential meeting place for coming together as a community. Friendships can be formed & loneliness can be banished, as it provides a safe place & gives a sense of belonging. It encourages the engagement of the community, to be proactive in raising funds for charitable causes, by bringing awareness to much needed & deserved projects within the area. The Amazon & Tiger, creates jobs for local people & provides an outlet for local produce providers to promote & sell .
Without our benchmark pub, less attention is drawn to the area & its amenities. thereby having an affect on the value of our properties.
Our pub provides community events, social clubs, matches within the sport's realm, music & dancing, food & Sunday lunches that can be eaten inside or out. A celebration can be held & catered for, thus memories are born that can be commemorated. Without all of this, we loose the opportunity to showcase our historic achievements & that of our heritage.

Kind regards
