Reasons for comment:

Comments: I am a single older lady and find that there is a dwindling provision of social safe places for people like me to meet friends and feel a sense of community. The village pub has a special role to play as a meeting place for single older people who without such resources would find themselves isolated & alone. I very much object to the pub building being changed into a private dwelling, it should be kept as a pub, as without it the village will be deprived of an essential resource and the emotional & mental wellbeing of its residents will be adversely affected.

Kind regards
